Case-Halls Mills,
Investigation-DeM.

I then spoke to him about Mr. C.B. Carter who is supposed to be Mrs. Jane Gibson's Manager at that time. He again told me that any information I wanted concerning the affair I would have to get from Benjamin or McAllister. I then secured some information as to the present whereabouts of Mr. Benjamin. I find that in 1925 he was living at 48 West 10th Street. I made several visits there and was unable to secure any information concerning him.
